

Team Meetings

Date: April 4th 2022

Attendees:

Owen Spicker

Jivraj Grewal

Hassan Brar

Michael Bartinski

Absent:

1. Project

Progress

- What we worked on this week.
- Organize by task/activity.
- Name which students worked on each task/activity.
 - Pushed changes for mouseEnter and mouseOut for the dropdown menu. Did not get it finished, will work on it if I have time during exams. By Owen
 - Started putting the final report together (everyone)
 - List down any missing components for the booking system that doesn't work for the next team that works on this project. By Hassan and Jivraj
 - Have account creation catch the duplicate email error. By Michael.

Blockers + Surprises

- Things that impeded progress this week.
- Things that came up or were discovered that you didn't expect.
- Possible resolution strategies for moving forward.

2. Learning Activity

- Summary of your team's learning activity for the week.
- Name which students worked on it.

3. Plan

"Plans are worthless, but planning is everything."

Task for this week:

- What we worked on this week.
- Organize by task/activity.
- Name which students worked on each task/activity.
 - Work on finishing the report for Friday. By everyone
 - Implement any small changes missed after peer testing.
 - Write out any problems for the next team to mediate.

Learning activities proposed for this week:

Goals for the next milestone:

- Try and get email confirmation working when an appointment is booked.
- Getting journal features working for all userID's.
- Have the user's account page display relevant information.
- Work on bugs with the booking system and refer to documentation for help.
